

Publishing Proposal for the Maastricht Law Series

Date:

Author:

Present position, including full academic affiliation:

Title manuscript:

Subtitle manuscript:

1. Please provide us with a short description and the table of contents of your book.
2. Please provide us with the rationale, scope, aim and approach of your book.
(Make a clear case for the book indicating why you decided to write the book and why you feel there is a need for it, how people would use it, and what it adds to the existing literature. Include also any important features, new material or approaches)
3. Which topics are covered in your book (keywords) and in which subject area(s) does your book fall (field)?
4. What is the proposed length of the book (word count) and estimated delivery date?
5. What is the target market of your book (students, academics, practitioners)?
6. Please identify any competing or identical titles and describe how your proposal relates to these.
7. Has this proposal also been submitted to another publisher?
8. Other remarks:
